

A Labyrinth for Rushcliffe Country Park

A maze is a puzzle to be solved with misleading dead ends

A labyrinth has only one path to the middle and back again

Children love our maze and we plan a large classical labyrinth at the park for adults and children

How are labyrinths used?

Enter with an issue in mind
Use imagination and images

Inward journey

Release thoughts, concerns

Quieten the mind

At the centre

Focus afresh on inner feelings

Outward journey

Consider new approaches

What are labyrinths for?

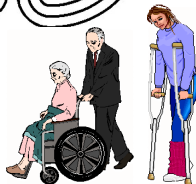

- Groups and individuals
- Joyous and solemn occasions
- Games and play
- Parties and celebrations
- Meditation and prayer
- Dance and joy walks
- Problem solving and healing
- Faith and festivals
- And much more
